

2019-2020 City of Newburyport Environmental Health Information Guide

Recycling, Hazardous Waste, Environmental Safety, Public Health, Animal Control

The Newburyport Health Department has designed this guide to provide you with important information from the City on health and environmental services pertaining to solid waste, recycling, environmental safety, animal control and public health. Please refer to this guide and the city's website cityofnewburyport.com Health Department and/or Recycling, Energy and Sustainability for specific information, collection dates and fees.

Recycling and Trash Collection For Residents & Businesses with Municipal Trash

Trash is collected once a week. Recyclables are picked up every other week (see pages 8-9 for street listings and schedule). Residents are required to separate recyclable material from trash. (On City website, search for "Ordinances," then see Health and Sanitation Ordinance, Chapter 8, Article III, Division 1.) The materials which must be recycled are cardboard, paper, glass bottles and jars, metal cans and aluminum foil/foil pans, and plastics with recycle numbers 1 through 7.

(Sec. 8-93 Enforcement & Penalties. Failure to comply with recycling ordinance carries a \$100 fine.)

Every household received one 64-gallon recycling cart. It is green with a black lid (see photo). **Please label it with your address.** The carts belong to the house and **must be left at the house in the event of a move.** If the cart is missing, residents may use any barrel which is clearly marked "Recycle." The City Health Department can

provide you with such labels.

Please remember to **place the recycle carts three feet from other objects, with the wheels toward the house.**

Do not overfill barrels and please clean up after pickup.

NEW! If cardboard is more than 3 feet tall or wide, cut it or fold it. Also, flatten, tie and tape it into bundles.

Recycling Carts

No plastic bags of any type in the recycling barrel. Please recycle plastic bags at the grocery store.

Additional recycling may be placed in bins clearly marked RECYCLING. Free recycling stickers may be picked up at City Hall.

Trash Reminders

Bulky items like furniture and carpet (cut in 4-foot sections) must have a bulk sticker attached. Bulk stickers can be purchased at Health Dept. in City Hall for \$5 per item, one item out per week. No large appliances or metal items allowed. Fees subject to change. **Only one bulk item per week.**

Mattresses and box springs in good condition may find a new home via Newburyport Virtual Yard Sale, FreeCycle, or NextDoor.com. Recycle: as long as a mattress or box spring is dry it can be recycled by UTEC

for \$15. Come to the Health Department in City Hall with cash or a check to register for a UTEC pick-up, or call to arrange to drop it off at the Newburyport Recycle Center. Trash: Residents may also buy a \$20 bulk sticker in order for the item to be picked up as trash.

Construction materials (including toilets and sinks) are not allowed in the trash and must be taken to a disposal site.

To dispose of **Latex Paint:** dry it out, set up to 4 paint cans next to your trash, put the lids

on loosely. Use kitty litter for fast drying. **NEW: Or drop off non-dried-out latex paint to be recycled. May -September, at the Recycle Center. Small fee applies.**

Trash is limited to 6 15-gallon bags or 3 (32 gal) barrels per household each week. Barrels 64 gallons and larger will not be picked up.

Do not go above the rim of your barrel and clean up after your pick up. Put trash out after 5 pm the day before and before 7 am the day of pick up. Bring empty barrels back in by 6 pm.

MISSED PICK UP?

For Trash or Recycling, call G. Mello Disposal at 978-352-8581 or email newburyport@mellodisposal.com
For Food Waste, call Black Earth Compost at 978-290-4610 x4

Curbside Recycling Reminders

- **Recycling is mandatory** and will be enforced.
- **Recycling is single stream**; place all recyclables in the same container. Set recycling carts and trash out by 7:00 am on collection day.
- **No plastic bags of any kind in recycling carts, even if they have a recycle number.** The place to recycle plastic bags is in a supermarket's specially marked bin.
- **Large cardboard** must be cut and folded so it is no more than 3 feet wide or tall. It must be bundled, tied and left next to your container.
- **No textiles** (i.e. fabric, clothing) in recycling carts. Take to a thrift store or EcoSmith bin (see page 4).
- **Containers must be rinsed or wiped out**, but do not have to be completely clean.
- **No clothes hangers** in recycle carts. Wire hangers may be taken to dry cleaners.
- **No electronics, batteries, cell phones, oil, oil-based paint, fluorescent bulbs (including CFLs), appliances (large or small), plastic bags or Styrofoam in recycling carts.** These items can be recycled at the Recycling Center (see p. 3).
- **Glass bottles/jars** must be clear, green, or brown in a curbside recycling bin. No broken glass or other glass such as light bulbs, window or auto glass, dishes, glasses or Pyrex. (see p. 4)
- **Metal items** other than food cans may not go in curbside carts. Other metal (e.g. pots and pans, grills) may be taken to the Recycle Center (see p. 3).
- **Plastic containers** which have recycle symbols 1 - 7 are allowed. No un-numbered plastics. Leave plastic caps/lids on plastic bottles.
- **No Styrofoam, even if labeled "recyclable."** Put in trash or take non-food types to Colby Farm Lane Recycling Center (see p. 3).
- **Paper-** (non-food types) Recycle all your clean paper!
- **Styrofoam peanuts** can go to Pak Mail.
- **Tin, steel, and aluminum:** Food cans and lids, deposit and non-deposit beverage cans (can be flattened), clean aluminum foil and foil pans, and empty aerosol cans are okay. No cans which contained hazardous material or paint.
- **You may use an overflow barrel** if clearly marked and placed close to recycling cart.

For full list, visit the *Recyclopedia* on the city website: www.cityofnewburyport.com and search *Recyclopedia*.

- **Toxic/Hazardous Chemicals** - Bring to Household Hazardous Waste Day on August 24, 2019 - see p. 3. Fees apply.
- **Windows** - Disposal company like G. Mello Disposal, 978-352-8581.
- **Wooden items** - Large wooden items (other than furniture with bulk stickers from the Recycling Department) will not be accepted at the curb. Call a disposal company like G. Mello Disposal, 978-352-8581.

Burning

The season for open burning is from January 15 to May 1 from 10 am to 4 pm. Property owners must obtain a valid permit from the fire department (978-465-4427) before conducting any open burning. Permits allow the burning of brush, cane, driftwood, and forest debris but prohibit the burning of grass, hay, leaves and tires.

Keep fire suppression tools handy and monitor the burn closely until it is dead out.

S.O.S. Save Our Sewers

Fats, Oils and Grease (FOG) are a major cause of plumbing back ups in homes and in the City sewer system that YOU can help prevent.

Never pour grease or other household oils down sinks or toilets. Pour cooled cooking fats, oils and grease into a waxed food container (such as a milk or cream container) and dispose of it in the garbage.

Excluding Your Property from Application of Pesticides

Requests to have your property excluded from pesticide application for mosquito control may be made online (or by downloading printable forms) from www.mass.gov/how-to/exclusion-from-wide-area-pesticides-application. Questions should be directed to Dept. of Agricultural Resources at 617-626-1775 or Northeast Mass. Mosquito Control at 978-352-2800.

Recycle Clothing & Textiles

Clothing and textiles placed in EcoSmith bins get re-used or recycled. Stains and rips are OK. Bins are at Bresnahan School (North Atkinson St. entrance) and Nock/Molin Schools (Low St. parking lot), and at Yard Waste Facility.

E-Alerts

To receive updates from City Departments as they are posted on the City Website, subscribe to E-Alerts. Signing up is easy.

E-Alerts

Go to www.cityofnewburyport.com and click on the E-Alert button on the homepage. Enter your email and select which updates you would like to receive.

CODE RED

The Newburyport CODE RED system notifies residents in the event of emergency situations or critical community alerts. To ensure that you receive notifications, go to the City Website at www.cityofnewburyport.com and enter your contact information including multiple phone numbers and email addresses.

Massachusetts is an Idle Free Zone

Massachusetts law prohibits unnecessary and unattended engine idling. Violators can be punished by a fine up to \$100.

Turning off your engine, protects:

- **The environment.** Idling engines contribute to smog and global warming.
- **Our health.** Exhaust pollution is harmful to people and animals.
- **Your money.** The less fuel your engine consumes, the more money you save.
- **Your engine.** Idling gradually wears out components such as engine oil, spark plugs, and the exhaust system.

Turn off the engine as soon as you end your trip. You'll be protecting the environment, your health, and saving money. Idling gets you nowhere.

Organic Food Waste

Reduce your trash by up to 40 percent by composting. There are two options in Newburyport.

1. Purchase a discounted composter (see below)
2. Subscribe to Black Earth Compost. Call 978-290-4610 or visit blackearthcompost.com

Purchase a Discounted Composter

The City of Newburyport sells backyard composters, known as the Earth Machine, designed to compost food and yard waste. It will provide an all-natural nutrient-rich supplement for gardens or lawns. The 80-gallon bins are sold from the Recycling Office for \$25 for residents, and \$43 for non-residents.

Animal Control Services, 978-465-4410

The Animal Control Officer (ACO) is responsible for ensuring compliance and enforcement of the Massachusetts State Sanitary Code 330 CMR 10.00 “Prevention of the Spread of Rabies”, The Massachusetts Department of Agricultural Resources-Animal Health, Commonwealth of Massachusetts General Law Chapter 129 and the City of Newburyport leash law and proper disposal of animal waste. The ACO is also an Animal Inspector responsible for investigating animal bites and working with local veterinarians to determine an appropriate quarantine procedure to monitor or rule out any possible exposure to the rabies virus.

Dog Licenses: All dogs six months of age or older must be licensed with the City through the City Clerk’s Office by April 1 each year (after June 1, late fees will apply.) Proof of current rabies vaccination is required for licensing. License tags must be worn on a collar at all times.

License Fees: Neutered/Spayed Dogs: \$10; Reproductively Intact Dogs: \$15.
 Fee is waived for Senior Citizens age 65 and over; and for individuals who are blind, deaf or mobility impaired

Lost & Found Pets: To report a lost or found pet, call the ACO at 978-465-4410 . On nights and weekends, contact the Police Department at 978-462-4411. Residents may wish to post notice on Facebook at: <https://www.facebook.com/NBPTAreaLostandFoundPets>.

Leash Law Section 3-26: No person shall own or keep in the City, outside the confines of the owner’s or keeper’s property, any dog which is not held firmly on a leash. Failure to comply with subsection (a) shall be punishable by the following schedule of fines: First offense \$50.00 Second offense \$75.00 Third offense \$100.00

Dogs On Beaches: The owner or person in control of a dog or any other animal shall not allow it to be on any part of the public beach between May 15 and September 15 of each year. From September 16 through May 14 dogs are allowed on beach; however, they must be held firmly on a leash at all times.

Pet Waste Disposal: Pet waste should be contained in a sealed bag and disposed of in small amounts with household trash. The City provides dog waste receptacles and bag dispensers at various locations throughout the City. (See map.) Dog waste must **never** be thrown in someone else’s trash or in Recycle Containers or Solar Big Bellies.

Disposal of Animal Waste: Section 3-2: All persons owning or in custody of an animal will be responsible for removal and disposal of that animal’s waste. The fine for violation of this provision for the first offense shall be \$50.; for second offense \$75.; third subsequent offenses \$100.

Legend

- Park
- Clipper City Rail Trail
- Dog Waste Dispenser

- 2 Cashman Park
- 3 Bartlet Mall
- 4 Joppa Park
- 5 Plum Island Beach

Off Leash Areas	Exclusions and Restrictions	Off Leash Hours	Seasonal Restrictions
Cashman Park	Excluding: playground, basketball court, tennis court, baseball field & soccer field and walkways	7:30 a.m.—9:00 a.m. & 4:00 p.m.-7:00 p.m.	Year round
Moseley Woods	Excluding: playground, pavilion & picnic areas	Dawn till Dusk	Year round
March’s Hill	Excluding: basketball court	Dawn till Dusk	No off leash dogs allowed when people are sledding

Public Health, 978-465-4410

The Public Health Department provides health education, disease surveillance and investigation, health screenings, referrals and immunization clinics for the Newburyport community.

City Wide Flu Clinics are offered by the Health Department each year. Dates, times and locations of Clinics are published in the newspaper, City Website and on Cable News. Flu vaccines are also available at the Health Department by appointment.

Blood Pressure Checks: The Public Health Nurse is available by appointment to perform blood pressure checks in the Health Department Office, at no charge.

Disease Investigation and Surveillance: The Health Department investigates and follows up on a list of infectious diseases. Collaborating with the Massachusetts Department of Public Health and health care providers, the Public Health Nurse assists with enforcement of state isolation and quarantine regulations.

Substance Abuse Services: Contact the Mass Substance Abuse Information and Education Helpline at **1-800-327-5050** or at **www.helpline-online.com** for free and confidential information and referrals for alcohol and other drug abuse problems and related concerns. Counseling and treatment options for substance abuse are also posted on the City Website.

SHARPS: Hypodermic Needles, Syringes, Lancets

Residents may dispose of their "SHARPS" in one of the collection kiosks located at the Health Department at City Hall or at the Senior Center at 331 High Street. Never place loose sharps in the kiosk; they must be contained in rigid plastic containers, such as a laundry detergent bottle. Disposing of sharps in the trash is against the law; and you should never leave sharp's containers outside of the kiosk. If the kiosk is full or your container is too large to fit in the kiosk, please contact a staff member or call the Health Department at 978-465-4410 for assistance.

CPR and First Aid Training Classes

Learn how to save a life! Adult and Child CPR will be offered on Thursday, July 18th from 5-8 PM and again on Thursday, August 22nd from 5-8 PM at City Hall. Please call the Health Department for fees and future class dates at 978-465-4410 x3.

Help protect young people by safeguarding your prescription medications with 3 easy steps

- 1. MONITOR :** Keep track of the amounts of your prescriptions, control your kids' medicines and encourage your friends and relatives, especially grandparents, to monitor and secure their own.
- 2. SECURE YOUR MEDICINE:** Keep prescription medicine secure, preferably locked, in a place that your kids and visitors to your home will not easily find.
- 3. DISPOSE OF YOUR UNUSED MEDICATION PROPERLY:**

Prescription Tablets and Capsules: Medications can be disposed of 24 hours a day at the Newburyport Police Department, 60 Green Street. Over the counter medications can be disposed of with your household trash.

To dispose of liquid medication: 1. Mix the medication with an undesirable substance, such as coffee grounds or kitty litter. 2. Place the mixture in a sealable bag. 3. Dispose of it with your trash.

Syringes: Syringes must never be disposed of in the trash. See the box above for information about Sharps Collection Kiosks in Newburyport.

North Shore Mother Visiting Partnership

The City of Newburyport is so pleased to welcome the newest member of your family to the Newburyport community!

Newburyport residents are invited to receive a free one time visit from the Public Health Nurse. The nurse will visit a mother or caregiver, ideally within 12 weeks (but up to one year) of giving birth or adopting a baby, regardless of the mother's age, insurance, income or number of children. The visit will last approximately 1 ½ hours and will take place in the mother's home or at a mutually agreed upon location. The visit includes a weight check for baby, breastfeeding & newborn care support, local resource guide and infant CPR/ Choke saving demonstration. Caregivers will also receive a Baby Box filled with gifts for mom and baby. All services provided by the Public Health Nurse are free and confidential. To sign up for a home visit, contact Pam Palombo, RN at 978-465-4410 x3

28	29	30				

Trash & Recycling

Trash collection is weekly. Recycling is collected every other week on your regular trash collection day, see A or B week on street listing page.

Holiday Schedule

Holidays are denoted with an H. Whenever a scheduled collection day falls on a holiday below, that day's collection and all remaining collections for the week will be delayed one day; Friday's collection will be on Saturday.

The only exception is the Downtown area which will remain on Fridays during holiday weeks.

There are six observed holidays in the 2019-2020 collection year:
 Independence Day, Labor Day, Thanksgiving, Christmas, New Year's Day and Memorial Day.

NNS is a collaborative effort of the Newburyport Health Department and the YWCA of Greater Newburyport. At NNS we are growing food, building community and supporting our local food system so that everyone has enough to eat and eats well! Fresh local produce is available free of charge at our VEG OUT Mobile Markets in Newburyport, Newbury and Salisbury (See List Below). For information on our **BRAND NEW** Organic Community Garden, upcoming garden and cooking workshops, volunteer opportunities and upcoming events please call the Health Department at 978-465-4410 x3 or visit us online at www.nourishingthenorthshore.org.
