Recycling and Trash Collection

For Residents & Businesses with Municipal Trash Collection

Collection Schedule: Trash is collected weekly.

Recyclables are collected every other week.

See pages 8-9 for street listings and schedule.

Recycling:

Residents are required to separate recyclable material from trash. (On City website, search for "Ordinances," then see Health and Sanitation Ordinance, Chapter 8, Article III, Division 1.)

The materials which must be recycled are cardboard, paper, glass bottles and jars, metal cans and aluminum foil/foil pans, and plastics with recycle numbers 1-7. (Sec. 8-93 Enforcement & Penalties. Failure to comply with recycling ordinance carries a \$100 fine.)

Household Carts:

Every household received one 64-gallon recycling cart.

It is green with a hinged lid (see photo on pg 2).

Please label it with your address.

The carts belong to the house and must be left at the house in the event of a move. If the cart is missing, residents may use any barrel which is clearly marked "Recycle." The City Health Department can

provide you with such labels.

Cart Placement:

-Please remember to place the recycle carts **three feet** from other objects, with the wheels toward the house.
-Please bag all trash.
-Do not overfill barrels and please clean up after pickup.

Trash Reminders

Bulk Items: Bulk items like furniture and carpet (cut in 4-foot sections) must have a bulk sticker attached.

NEW Bulk stickers can be purchased at the customer service windows at Shaw's, Market Basket and at Richdale's on Pleasant Street.

Bulk stickers can also be ordered online. Visit www.cityofnewburyport.com/ payments. Cost is \$5 per item, one item out per week. No construction debris, large appliances or metal items allowed. Fees subject to change. **Only one bulk item per week.**

Mattresses and box springs in good condition may find a new home via Newburyport Virtual Yard Sale, FreeCycle, or NextDoor.com.

NEW- Beginning November 1 2022 Mattresses and Textile (old clothes and fabrics) will be banned from trash disposal in Massachusetts. All must be recycled.

Mattress Recycling: as long as a mattress or box spring is dry it can be recycled by UTEC for \$15. Call Health Department to register for a UTEC pick-up, or call to arrange to drop it off at the

Newburyport Recycle Center.

Trash: Until November, residents may also buy a \$20 bulk sticker in order for the mattress or box spring to be picked up as trash. These can be purchased online.

Construction materials: (including toilets and sinks) are not allowed in the trash and must be taken to a disposal site, see list PG 4.

Latex Paint: dry it out, set up to 4 paint cans next to your trash, put the lids on loosely. Use kitty litter for fast drying.

Trash is limited to 6 15-gallon bags or 3 (32 gal)

barrels per household each week. Barrels 64 gallons and larger will not be picked up.

Do not fill the barrel above the rim. Please clean up after your pick up. Put trash out after 5 pm the day before and before 7 am the day of pick up. Bring empty barrels back in by 6 pm.

NEW! : If your trash barrel does not have a hinged lid, please consider finding a way to attach the lid to the barrel.

MISSED PICK UP?

For Trash or Recycling, call G. Mello Disposal at 978-352-8581 or email newburyport@mellodisposal.com
For Food Waste, use your customer portal for Black Earth Compost.

Curbside Recycling Reminders

- **Recycling is mandatory** and will be enforced.
- **Recycling is single stream**; place all recyclables in the same container. Set recycling carts and trash out by 7:00 am on collection day.
- **No plastic bags of any kind in recycling carts**, even if they have a recycle number. The place to recycle plastic bags is in a supermarket's specially marked bin.
- **Large cardboard** must be cut and folded so it is no more than 3 feet wide or tall. It must be bundled, tied and left next to your container.
- **No textiles** (i.e. fabric, clothing) in recycling carts. Take to a thrift store or textile bin (see page 4).
- **Containers must be rinsed or wiped out**, but do not have to be completely clean.
- **No clothes hangers** in recycle carts. Wire hangers may be taken to dry cleaners. Plastic hangers can go to the Recycling Center.
- **No electronics, batteries, cell phones, oil, oil-based paint, fluorescent bulbs (including CFLs), appliances (large or small), plant containers, plastic bags or Styrofoam in recycling carts.** These items can be recycled at the Recycling Center (see p. 3).
- **Glass bottles/jars** must be clear, green, or brown in a curbside recycling bin. No broken glass or other glass such as light bulbs, window or auto glass, dishes, glasses or Pyrex. (see p. 4)
- **Metal items** other than food cans may not go in curbside carts. Other metal (e.g. pots and pans, grills) may be taken to the Recycle Center (see p. 3).
- **Plastic containers** which have recycle symbols 1 - 7 are allowed. No un-numbered plastics. Leave plastic caps/lids on plastic bottles.
- **No Styrofoam, even if labeled "recyclable."** Put in trash or take non-food types to Colby Farm Lane Recycling Center (see p. 3).
- **Paper-** (non-food types) Recycle all your clean paper!
- **Styrofoam peanuts and bubble wrap** can go to Pak Mail.
- **Tin, steel, and aluminum:** Food cans and lids, deposit and non-deposit beverage cans (can be flattened), clean aluminum foil and foil pans, and empty aerosol cans are okay. No cans which contained hazardous material or paint.
- **Pizza boxes** are recyclable or compostable as long as there is no food, food residue or plastic inside the box.
- **You may use an overflow barrel** if clearly marked and placed close to recycling cart.

For full list, visit the *Recyclopedia* on the city website: www.cityofnewburyport.com and search *Recyclopedia*.

Recycling Carts

No Plastic bags of any type in the recycling barrel. Please recycle plastic bags at the grocery store. Additional recycling may be placed in bins clearly marked RECYCLING. Free recycling stickers may be picked up at City Hall.

Burning

The season for open burning is from January 15 to May 1 from 10 am to 4 pm. Property owners must obtain a valid permit from the fire department (978-465-4427) before conducting any open burning. Permits allow the burning of brush, cane, driftwood, and forest debris but prohibit the burning of grass, hay, leaves and tires. Keep fire suppression tools handy and monitor the burn closely until it is dead out.

S.O.S. Save Our Sewers

Fats, Oils and Grease (FOG) are a major cause of plumbing back ups in homes and in the City sewer system that YOU can help prevent.

Never pour grease or other household oils down sinks or toilets. Pour cooled cooking fats, oils and grease into a waxed food container (such as

Excluding Your Property

Requests to have your property excluded from pesticide application for mosquito control may be made online (or by downloading printable forms) from www.mass.gov/how-to/exclusion-from-wide-area-pesticides-application. Questions should be directed to 508-281-6786 or Northeast Mass. Mosquito Control at 978-352-2800.

Recycle Clothing & Textiles

Clothing and textiles placed in donation bins get re-used or recycled. Stains and rips are OK.

Bins are at Bresnahan School (North Atkinson St. entrance) and Nock/Molin Schools (Low St. parking lot), the Recycling Center and at Yard Waste Facility.

E-Alerts

To receive updates from City Departments as they are posted on the City Website, subscribe to E-Alerts. Signing up is easy.

Go to www.cityofnewburyport.com and click on the E-Alert button on the homepage. Enter your email and select which updates you would like to receive.

CODE RED

The Newburyport CODE RED system notifies residents in the event of emergency situations or critical community alerts. To ensure that you receive notifications, go to the City Website at www.cityofnewburyport.com and enter your contact information including multiple phone numbers and email addresses.

Massachusetts is an Idle Free Zone

Massachusetts law prohibits unnecessary and unattended engine idling. Violators can be punished by a fine up to \$100. Turning off your engine, protects:

- **The environment.** Idling engines contribute to smog and global warming.
- **Our health.** Exhaust pollution is harmful to people and animals.
- **Your money.** The less fuel your engine consumes, the more money you save.
- **Your engine.** Idling gradually wears out components such as engine oil, spark plugs, and the exhaust system.

Turn off the engine as soon as you end your trip. You'll be protecting the environment, your health, and saving money. Idling gets you nowhere.

Don't Waste Food Waste

Conserve nutrients in food scraps and reduce your trash up to 40%. There are three options in Newburyport to compost:

1. Subscribe to Black Earth Compost.com for weekly curbside pick up
2. Do it yourself with a deeply discounted backyard composter (Earth Machine) see below:
3. Drop off your food waste in paper or compostable bags at any of these three sites:
 -115 Water Street, past parking area on left
 -Corner of Washington and Kent Street (near Cushing Park)
 -Yard Waste Facility, at gate, Colby Farm Lane

Purchase a Discounted Composter

The City of Newburyport sells backyard composters, known as the Earth Machine, designed to compost food (no meat, cheese or bones) and yard waste. It will provide an all-natural nutrient-rich supplement for gardens or lawns. The 80-gallon bins are sold at the Colby Farm Lane Yard Waste site for \$25 for residents, and \$46 for non-residents.

The Animal Control Officer (ACO) is responsible for ensuring compliance and enforcement of the Massachusetts State Sanitary Code 330 CMR 10.00 "Prevention of the Spread of Rabies", The Massachusetts Department of Agricultural Resources-Animal Health, Commonwealth of Massachusetts General Law Chapter 129 and the City of Newburyport leash law and proper disposal of animal waste. The ACO is also an Animal Inspector responsible for investigating animal bites and working with local veterinarians to determine an appropriate quarantine procedure to monitor or rule out any possible exposure to the rabies virus. For more information, please visit <https://www.cityofnewburyport.com/animal-control-regional-services>

Dog Licenses: All dogs six months of age or older must be licensed with the City through the City Clerk's Office by April 1 each year (after June 1, late fees will apply.) Proof of current rabies vaccination is required for licensing. License tags must be worn on a collar at all times.

License Fees: Neutered/Spayed Dogs: \$10; Reproductively Intact Dogs: \$15.

Fee is waived for Senior Citizens age 65 and over; and for individuals who are blind, deaf or mobility impaired

Lost & Found Pets: To report a lost or found pet, call the ACO at 978-465-4410. On nights and weekends, contact the Police Department at 978-462-4411. Residents may wish to post notice on Facebook at: <https://www.facebook.com/NBPTAreaLostandFoundPets>.

Leash Law Section 3-26: No person shall own or keep in the City, outside the confines of the owner's or keeper's property, any dog which is not held firmly on a leash. Failure to comply with subsection (a) shall be punishable by the following schedule of fines: First offense \$50.00 Second offense \$75.00 Third offense \$100.00

Dogs On Beaches & Rail to Trail: Dogs are NOT allowed on any part of the public beach between May 15 and September 15 of each year. From September 16 through May 14 dogs are allowed on beach; however, they must be held firmly on a leash at all times. Dogs are allowed on the Rail Trail (year round) but must be held firmly on a leash (including on the portion of the Rail Trail between Cashman off-leash area and the river).

Pet Waste Disposal: Pet waste should be contained in a sealed bag and disposed of in small amounts with household trash. The City provides dog waste receptacles and bag dispensers at various locations throughout the City. (See map.) Dog waste must **never** be thrown in someone else's trash or in Recycle Containers or Solar Big Bellies.

Disposal of Animal Waste: Section 3-2: All persons owning or in custody of an animal will be responsible for removal and disposal of that animal's waste. The fine for violation of this provision for the first offense shall be \$50.; for second offense \$75.; third subsequent offenses \$100.

North Shore Mother Visiting Partnership

The City of Newburyport is so pleased to welcome the newest member of your family to the Newburyport community! Newburyport residents are invited you to receive a free one time visit from the Public Health Nurse. The nurse will visit a mother or caregiver, ideally within 12 weeks (but up to one year) of giving birth or adopting a baby, regardless of the mother's age, insurance, income or number of children. The visit will last approximately 1 ½ hours and will take place in the mother's home or at a mutually agreed upon location. Please be assured that Covid precautions will be taken to protect the health of you and your little one. The visit includes a weight check for baby, breastfeeding & newborn care support, local resource guide and infant CPR/Choke saving demonstration. Caregivers will also receive a giftbox filled with items for mom and baby. All services provided by the Public Health Nurse are free and confidential. To sign up for a home visit, contact the Health Department at 978-465-4410.

KI POTASSIUM IODIDE

Seabrook Nuclear Power Plant & KI (Potassium Iodide)

The City of Newburyport is located in the Emergency Planning Zone (EPZ) for the Seabrook Nuclear Power Station meaning residents must take extra steps to be prepared should an accident occur.

Three important steps to prepare for an emergency at the power plant is to:

1. Sign up for Code Red notifications for radiological emergency at Seabrook Power Station on the health department website.
2. Plan your evacuation route and have an emergency plan for you, your family, and your pets.
3. Pick up your KI tablets free of charge during normal business hours at the Health Department.

Trash & Recycling

Trash collection is weekly.
Recycling is collected every other week on your regular trash collection day, see A or B week on street listing page.

Holiday Schedule

Holidays are denoted with an H.

Whenever a scheduled collection day falls on a holiday below, that day's collection and all remaining collections for the week will be delayed one day; Friday's collection will be on Saturday.

The only exception is the Downtown area which will remain on Fridays during holiday weeks.

There are only **FOUR** observed holidays in the 2022-2023 collection year: Independence Day (July 4th), Labor Day, Thanksgiving and Memorial Day.

NNS is a collaborative effort of the Newburyport Health Department and the YWCA of Greater Newburyport. At NNS we are growing food, building community and supporting our local food system so that everyone has enough to eat and eats well! Fresh local produce is available free of charge at our VEG OUT Mobile Markets in Newburyport, Newbury and Salisbury (See List Below). For information on our Seedling Sales, VEGOUT Mobile Market, upcoming garden and cooking workshops, volunteer opportunities and upcoming events please call the Health Department at 978-465-4410 x3 or visit us online at www.nourishingthenorthshore.org.
