Recycling & Trash Collection

For Residents and Businesses with Municipal Trash Collection

Collection Schedule: Trash is collected weekly.

Recyclables are collected every other week.

See pages 8-9 for street listings and schedule.

Recycling:
Residents are required to separate recyclable material from trash. (On City website, search for "Ordinances," then see Health and Sanitation Ordinance, Chapter 8, Article III, Division 1.)

The materials which must be recycled are cardboard, paper, glass bottles and jars, metal cans and aluminum foil/foil pans, and plastics with recycle numbers 1-7. (Sec. 8-93 Enforcement & Penalties. Failure to comply with recycling ordinance carries a \$100 fine.)

Household Carts:
Every household has one 64-gallon recycling cart. It is

black with a hinged lid (see photo on page 2).

Please label it with your address.

The carts belong to the house and **must be left at the house in the event of a move.** If the cart is missing, residents may use any barrel which is clearly marked "Recycle." The City Health Department can

provide you with such labels.

Cart Placement:

Please remember to place the recycle carts **three feet** from other objects, with the wheels toward the house. Do not overfill barrels and please clean up after pickup.

Trash Reminders

Bulk Items: for furniture and carpet (cut in 4-foot sections) must have a bulk sticker attached. No construction debris, large appliances or metal items allowed. Fees subject to change. **Only one bulk item per week.** Bulk stickers can be purchased at the customer service windows at Shaw's, Market Basket and at Richdale's on Pleasant Street or online for \$5.

Bulk stickers can also be ordered online. Visit www.cityofnewburyport.com/payments. Cost is \$5 per item, one item out per week.

Mattresses and Textiles: items such as old clothes and fabrics are banned from trash disposal in Massachusetts. All must be recycled. Textile bins can be found near Nock/Molin or Bresnahan school driveways.

Mattress Recycling: so long as a mattress or box spring is dry, it can be recycled by UTEC for **\$20 (will be \$30 come July 1st)**. Call 978-499-0413 to register for a UTEC pick-up, or call to arrange to drop it off at the Newburyport Recycle Center. Futon mattresses are considered trash and should

be disposed of with a bulk sticker.

Mattresses and Box Springs: if in good condition, they may find a new home via Newburyport Virtual Yard Sale, FreeCycle, or NextDoor.com.

Construction Materials: (including toilets and sinks) must be taken to a disposal site and are not allowed in the trash. See list on page 4.

Latex Paint: dry it out, set up to 4 paint cans **next to** your trash, and put the lids on loosely. Use kitty litter for fast drying.

Trash is limited to 6 15-gallon bags or 3 (32 gal) barrels per household each week. Barrels 64 gallons and larger will not be picked up.

Do not fill the barrel above the rim. Please bag all trash and clean up after your pick up. Put trash out after 5 PM the day before and before 7 AM the day of pick up. Bring empty barrels back in by 6 PM.

If your trash barrel does not have a hinged lid, please consider finding a way to attach the lid to the barrel.

MISSED PICK UP?

For Trash or Recycling, call G. Mello Disposal at 978-352-8581 or email newburyport@mellodisposal.com.
For Food Waste, use your customer portal for Black Earth Compost.

Curbside Recycling Reminders

- **Recycling is mandatory** and will be enforced.
- **Recycling is single stream**; place all recyclables in the same container. Set recycling carts and trash out by 7 AM on collection day.
- **No plastic bags of any kind in recycling carts**, even if they have a recycle number. The place to recycle plastic bags is in a supermarket's specially marked bin in front of the store.
- **Large cardboard** must be cut and folded so it is no more than 3 feet wide or tall. It must be bundled, tied, and left next to your container.
- **No textiles**; (i.e. fabric, clothing) must be put in recycling carts. Take to a thrift store or textile bin (see page 4).
- **Containers must be rinsed or wiped out**, but do not have to be completely clean.
- **No clothes hangers** in recycling carts. Wire hangers may be taken to dry cleaners. Plastic hangers can go to the Recycling Center.
- **No electronics, batteries, cell phones, oil, oil-based paint, fluorescent bulbs (including CFLs), appliances (large or small), plant containers, plastic bags or Styrofoam in recycling carts.** These items can be recycled at the Recycling Center (see page 3).
- **Glass bottles/jars** must be clear, green, or brown in a curbside recycling bin. No broken glass or other glass such as light bulbs, window or auto glass, dishes, glasses or Pyrex (see page 4).
- **Metal items** other than food cans may not go in curbside carts. Other metal (e.g. pots and pans, grills) may be taken to the Recycle Center (see page 3).
- **Plastic containers** which have recycle symbols 1 - 7 are allowed. No un-numbered plastics. Leave plastic caps/lids on plastic bottles.
- **No Styrofoam, even if labeled "recyclable."** Put in trash or take non-food types to Colby Farm Lane Recycling Center (see page 3).
- **Paper** Recycle all your clean, non-food type paper!
- **Styrofoam peanuts and bubble wrap** can go to Pak Mail.
- **Tin, steel, and aluminum:** Food cans and lids, deposit and non-deposit beverage cans (can be flattened), clean aluminum foil and foil pans, and empty aerosol cans are okay. No cans which contained hazardous material or paint.
- **Pizza boxes** are recyclable or compostable as long as there is no food, food residue or plastic inside the box.
- **You may use an overflow barrel** if clearly marked and placed close to recycling cart.

For full list, visit the *Recyclopedia* on the city website: www.cityofnewburyport.com and search "Recyclopedia".

Recycling Carts

No plastic bags of any type in the recycling barrel. Please recycle plastic bags at the grocery store. Additional recycling may be placed in bins clearly marked with "RECYCLING". Free recycling stickers may be picked up at City Hall.

Colby Farm Lane Yard Waste Facility

Open from the **second Tuesday in April through
the second Saturday in December (weather permitting)**
Tuesday through Saturday, 7:30 AM–2:30 PM

**Subject to change*

- Yearly sticker required. Purchase on City website. See the home page and “Make A Payment”.
- Residents may bring leaves, plants, brush, and tree limbs up to 18” in diameter.
- **NO** wood, plastic bags, or plastic containers.
- Grass clippings are recommended to stay on lawns and discouraged at the facility.
- Please separate branches and brush from leaves and garden debris.
- Backyard compost bins and rain barrels for sale at City Hall and Yard Waste Facility.
- Free Agresoil available on-site, good for lawns and flower gardens, not vegetable gardens.

Household Hazardous Waste Day

Saturday, September 9, 2023
Department of Public Services
16A Perry Way
8 AM – 12 PM

Bring the following items:
Hazardous Household Chemicals
(see City website for specifics)

Chlorine bleach	Flammable liquids	Gasoline
Insecticides	Oil-based paint	Solvents

Please sort items by type before arrival.

Proof of residency is required. Fees apply for most materials.

For HHW events in other towns, see website.

For more information, call the Recycling Department
at 978-499-0413.

*** Note: The Recycling Center on Colby Farm Lane
will also be open for the items listed under
Recycling Center above on Sept. 9.**

Bagged Leaves & Christmas Trees

- Bagged leaf collections will take place on the following Saturdays: November 4, November 18, December 2, 2023, then April 27 and May 11, 2024.
- Leaves and trees must be curbside by 6 AM
- Place leaves only in brown leaf bags or loose in a marked barrel. Please fold bags over at the top.
- Leaves will be going to a farm for composting so please keep trash out of the leaf bags.
- Christmas tree collections will take place during the month of January only.
- Do not bag or leave any materials on trees.
- Trees over 6 feet must be cut down in size.
- Trash pick up may be delayed during Christmas tree weeks.
- Bring wreaths to Colby Farm Lane Yard Waste Facility or Recycle Center.

Paper Shredding Day

Saturday, September 9
8 AM–12 PM

DPS, 16A Perry Way

First box free, \$5 per each additional

Directions to Colby Farm Lane

Travel west on Low Street and proceed past Nock/Molin Middle School. Colby Farm Lane is one mile past the school at the North Atkinson Street intersection. The Center is on the left, two-tenths of a mile from Low Street, and the Yard Waste Facility is 700 feet beyond that, also on the left.

Hard to Dispose of Items and Where to Bring Them

Colby Farm Lane Recycling Center is open the first Saturday of every month, 8 am to 12 pm.

Call for additional weekday hours at 978-499-0413 *Fees subject to change

- **Air Conditioners:** contain Freon. Bring to Recycling Center. Fee applies.*
- **Antifreeze:** bring to Recycling Center. No fee.*
- **Appliances:** bring to scrap metal dealer or to Recycling Center. Fee applies.*
- **Asphalt, Brick, Concrete, or Clean Fill:** Miles River (978-356-2290) or asphalt only, Brox (978-356-7475).
- **Automotive Fluids:** some (motor oil, brake fluid, hydraulic oil, transmission fluid and antifreeze) can be brought Recycling Center.* Others, especially flammable liquids, will be accepted on Household Hazardous Waste Days (see p. 3).
- **Batteries:** rechargeable, car, and boat batteries can be brought to the Recycling Center.*
- **Bicycles:** bring to Recycling Center.
- **Boat Flares:** bring to Fire Department.
- **Books:** donate to local libraries for book sales, or offer to Jabberwocky Bookstore for credit. If books are not accepted, drop in Recycle That containers at Bresnahan School entrance off N. Atkinson Street.
- **Cardboard:** take large amounts to Recycling Center*. For Mello curbside, it must be no more than 3 feet long or wide, must be flattened and bound by string, twine or tape.
- **Carpets and Rugs:** put out with bulk sticker that can be purchased for \$5 at grocery stores or Richdales or on city website .
- **Cartons:** milk, juice, and broth cartons now go in trash.
- **Cell phones and Ink Jet Cartridges:** bring to Recycling Department in City Hall or to Recycling Center.*
- **Clothing/Textiles:** old clothing, shoes, blankets, stuffed animals, etc. leave in white recycling bins at Nock/Molin School or Bresnahan School driveway, Recycling Center or Yard Waste Facility.
- **Tires:** bring to Recycling Center. \$3 fee per tire.*
- **Computers, Monitors, Laptops, Keyboards, Mice, Chargers, Cords:** Recycling Center*. Fees for computers/monitors.
- **Confidential Material:** save for next shredding day; Saturday, September 9, 2023 (16A Perry Way).
- **Construction Material, Toilets and Non-Metal Sinks and Doors:** Call G. Mello Disposal, 978-352-8581.
- **Cooking Grease & Oil:** never put grease or oil down the drain. Bring used oil to the Recycling Center. Cool or freeze grease in a waxed container and throw it away in your trash.
- **Dehumidifiers:** bring to Recycling Center. Fee applies.*
- **Electronics:** bring to Recycling Center. Fee applies for larger items.*
- **Fluorescent Light Bulbs:** bring to Recycling Center.*
- **Foam Plastics:** #6 (Styrofoam,) white only. #4 "squishy" foam packaging (LDPE), any color. Bring to Recycling Center.*
- **Food Waste:** see page 5 for all options.
- **Furniture (Nonmetal):** if you can't donate it to a drop off or pick up service or an online site, put on trash day with bulk sticker that can be ordered on the City's website under "Make A Payment" or at customer service at Shaw's, Market Basket or Richdale's.
- **Gas Grills:** remove propane tank and rocks; bring to scrap metal dealer or Recycling Center for drop off.
- **Glass:** jars and bottles go in curbside recycling. Incandescent bulbs go in the trash. Fluorescent bulbs to Recycling Center.* Wrap broken glass with tape for the trash. Glasses, Pyrex, and dishes for re-use. See page 2.
- **Grease/Oil:** never put down the drain. Bring to Recycling Center or cool and put in your trash.
- **Gutters:** aluminum gutters may be brought to scrap metal dealer or brought to Recycling Center.* Wood gutters may be brought to disposal company like G. Mello Disposal, 978-352-8581.
- **Helium Tanks:** bring to Recycling Center. Fees apply.*
- **Latex Paints:** for curbside pick up, dry paint completely (use kitty litter), set next to trash with lid on loosely. Only four cans per week.
- **Lumber:** call disposal company like G. Mello Disposal, 978-352-8581 or Pearson 978-465-3649.
- **Mattress and Box Springs:** see page 1.
- **Medical Syringes/Lancets:** must be disposed of properly. See page 7.
- **Mercury Products:** such as thermostats and thermometers, blood pressure cuffs, barometers - bring to Recycling Center.*
- **Metal Goods:** appliances, bikes, water heaters, etc. go to scrap metal dealer or Recycling Center.* Fees may apply.*
- **Microwaves:** bring to Recycling Center. Small fee applies.*
- **Mirrors:** cover most of the surface with tape to keep glass from shattering. If it doesn't fit in a trash can, purchase a bulk sticker.
- **Motor Oil (Used):** bring to Recycling Center. Fee applies.*
- **Needles/Syringes/Lancets:** must be disposed of properly. See p. 7.
- **Oil-Based Paint:** bring to one of Household Hazardous Waste Days (see p. 3). Fee applies.
- **Plastics:** rigid items such as trash cans, play equipment, etc. No metal parts. Can be brought to Recycling Center*.
- **Plastic Bags:** all plastic bags must be recycled at supermarkets.
- **Propane Tanks:** bring to Kelly's Ace Hardware in Newburyport or Stop & Shop in Amesbury. Fees apply.*
- **Recyclables:** large quantities of recyclable containers and newspapers may be brought to G. Mello Disposal, 978-352-8581.
- **Refrigerators and Freezers:** see National Grid website for pick up or call 1-877-889-4761 for pick-ups and possible rebate.
- **Smoke Detectors:** bring to City Hall Recycling Department or Recycling Center*.
- **Solvents, Chemicals, Pesticides, Etc.:** bring to next Household Hazardous Waste Day (see page 3). Fees apply.*
- **Styrofoam:** WHITE packing forms only. Please remove stickers/tape. No food containers. Bring to the Recycling Center.* Peanuts go to Pak-Mail.
- **Televisions:** working flat-screen TVs that were made within the last five years can be donated to Goodwill in Seabrook. Best Buy accepts some TVs (call to verify). Any TV can be dropped off at the Recycling Center*. Fees apply.
- **Toxic/Hazardous Chemicals:** bring to Household Hazardous Waste Day on Saturday, September 9, 2023-see p. 3. Fees apply.
- **Windows:** disposal company like G. Mello Disposal, 978-352-8581.
- **Wooden Items:** large wooden items will not be accepted at the curb. Call G. Mello Disposal, 978-352-8581.

Burning

The season for open burning is from January 15 to May 1 from 10 am to 4 pm. Property owners must obtain a valid permit from the fire department (978-465-4427) before conducting any open burning. Permits allow the burning of brush, cane, driftwood, and forest debris but prohibit the burning of grass, hay, leaves and tires. Keep fire suppression tools handy and monitor the burn closely until it is dead out.

S.O.S. Save Our Sewers

Fats, Oils and Grease (FOG) are a major cause of plumbing back ups in homes and in the City sewer system that YOU can help prevent.

Never pour grease or other household oils down sinks or toilets. Pour cooled cooking fats, oils and grease into a waxed food container and dispose of it in the garbage or bring to Recycle Center.

Excluding Your Property

Requests to have your property excluded from pesticide application for mosquito control may be made online (or by downloading printable forms) from www.mass.gov/how-to/exclusion-from-wide-area-pesticides-application. Questions should be directed to 508-281-6786 or Northeast Mass. Mosquito Control at 978-352-2800.

Recycle Clothing & Textiles

Clothing and textiles placed in donation bins get re-used or recycled. Stains and rips are allowed. Bins are at Bresnahan School (North Atkinson St. entrance) and Nock/Molin Schools (Low St. parking lot), the Recycling Center and at Yard Waste Facility.

E-Alerts

To receive updates from City Departments as they are posted on the City Website, subscribe to E-Alerts. Signing up is easy.

Go to www.cityofnewburyport.com and click on the "See All Subscription Options" button near the bottom of the homepage. Enter your email and select which updates you would like to receive.

CODE RED

The Newburyport CODE RED system notifies residents in the event of emergency situations or critical community alerts. To ensure that you receive notifications, go to the City Website at www.cityofnewburyport.com, scroll down to the bottom of the page and click on the "CODE RED" logo.

Massachusetts is an Idle Free Zone

Massachusetts law prohibits unnecessary and unattended engine idling. Violators can be punished by a fine up to \$100.

Turning off your engine, protects:

- **The environment.** Idling engines contribute to smog and global warming.
- **Our health.** Exhaust pollution is harmful to people and animals.
- **Your money.** The less fuel your engine consumes, the more money you save.
- **Your engine.** Idling gradually wears out components such as engine oil, spark plugs, and the exhaust system.

Turn off the engine as soon as you end your trip. You'll be protecting the environment, your health, and saving money. Idling gets you nowhere.

Don't Waste Food Waste

Conserve nutrients in food scraps and reduce your trash up to 40%. There are three options in Newburyport to compost:

1. Subscribe to Black Earth Compost.com for weekly curbside pickup
2. Do it yourself with a deeply discounted backyard composter (Earth Machine) see below:
3. Drop off your food waste in paper or compostable bags at any of these three sites:
 - 115 Water Street, past parking area on left
 - Buck Street (Cushing Park)
 - Yard Waste Facility, at gate, Colby Farm Lane

Purchase a Discounted Composter

The City of Newburyport sells backyard composters, known as the Earth Machine, designed to compost food (no meat, cheese or bones) and yard waste. It will provide an all-natural nutrient-rich supplement for gardens or lawns. The 80-gallon bins are sold at the Colby Farm Lane Yard Waste site for \$35 for residents, and \$46 for non-residents.

Dog Licenses: All dogs six months of age or older must be licensed with the City through the City Clerk's Office by April 1 each year (after June 1, late fees will apply.)

License Fees: Neutered/spayed dogs; \$10. Reproductively intact dogs; \$15.

Fee is waived for Senior Citizens age 65 and over; and for individuals who are blind, deaf or mobility impaired.

Lost & Found Pets: To report a lost or found pet, call 978-465-4410. On nights and weekends, contact the Police Department at 978-462-4411.

Leash Law Section 3-26: No person shall own or keep in the City, outside the confines of the owner's or keeper's property, any dog which is not held firmly on a leash. Failure to comply with subsection (a) shall be punishable by the following schedule of fines: First offense is \$50.00; second offense is \$75.00; third offense is \$100.00.

Dogs On Beaches & Rail Trail: Dogs are **NOT** allowed on any part of the public beach between May 15 and September 15. From September 16 through May 14, dogs are allowed on beach; however, they **must** be held firmly on a leash at all times. Dogs are allowed on the Rail Trail (year round) but must be held firmly on a leash (including on the portion of the Rail Trail between Cashman off-leash area and the river).

Pet Waste Disposal: Dog waste must **never** be thrown in someone else's trash or in Recycle Containers. Disposal of Animal Waste: Section 3-2: *All persons owning or in custody of an animal will be responsible for removal and disposal of that animal's waste. The fine for violation of this provision for the first offense shall be \$50.; for second offense \$75.; third subsequent offenses \$100.*

ANIMAL RELATED EMERGENCIES

An emergency complaint is one that requires immediate action from the Animal Control Officer. Incidents qualifying as an emergency complaint are those in which there is imminent threat to human life or an injury to a domestic animal. Examples of emergency complaints include:

- Domestic animal hit by car and injured
- Canine bite, attack or mauling in progress
- Potentially rabid animal having contact with human or domestic animal
- At large dogs acting vicious or posing a threat to a human or other animal
- Large dead animal disrupting traffic flow

NOTE: Loose dogs or dogs in custody are **NOT** an emergency. The on-call ACO working nights and weekends cannot respond to loose dogs or dogs in custody.

NON-EMERGENCY COMPLAINTS

All other complaints are non-emergency complaints. Non-emergency complaints are those that do not pose a threat to life, public safety or danger of serious injury to the public or animals. Non-emergency complaints do not require immediate action from the Animal Control Officer and shall be investigated during normal business hours. Examples of non-emergency complaints include:

- Dead animals on the side of road or in public areas not disrupting traffic
- Loose or lost domestic animals
- Stray domestic animals
- Violations of animal control ordinances which do not pose a threat to public safety

Off Leash Areas	Exclusions and Restrictions	Off Leash Hours	Seasonal Restrictions
Cashman Park	Excluding: playground, basketball court, tennis court, baseball field & soccer field and walkways	7:30 AM—9 AM & 4PM—7 PM	Year round
Moseley Woods	Excluding: playground, pavilion, and picnic areas	Dawn till Dusk	Year round
March's Hill	Excluding: basketball court	Dawn till Dusk	No off leash dogs allowed when people are sledding

Public Health

- **City Wide Flu Vaccine Clinics** are offered by the Health Department each year. Dates, times and locations of Clinics are published in the newspaper, City Website and on Cable News.
- **Blood Pressure Checks:** The Public Health Nurse is available by appointment to perform blood pressure checks in the Health Department Office, at no charge. Monthly Blood Pressure Checks are held at the Senior Center the second Thursday of every month.
- **Mental Health/SNAP/Mass Health/Transition Resources:** see [Massachusetts.networkofcare.org](https://www.massachusetts.networkofcare.org)
- **Substance Abuse Services:** Need to get a Narcan rescue kit for yourself or a loved one but don't have a prescription? Download the state-wide standing order at www.mass.gov/doc/statewide-standing-order/download or forms can be picked up at the Health Department. Counseling and treatment options are posted on the health department website.

SHARPS: Hypodermic Needles, Syringes, Lancets

Residents may dispose of their "SHARPS" in the collection kiosk located across from the Recycling Department at City Hall. Never place loose sharps in the kiosk; they must be contained in rigid plastic containers, such as a laundry detergent bottle.

COVID-19 Resources

Schedule a Vaccine: To find vaccine appointments, please go to vaxfinder.mass.gov or call 2-1-1.

Free COVID-19 test kits are available at the Health Department.

You can call the Homebound Vaccination Program Central Intake Line at 1-833-983-0485 Monday through Friday 8:30 AM to 5:00 PM.

Vaccine Records: Visit myvaxrecords.mass.gov to view and print your vaccination records and your COVID SMART health card from the official Massachusetts Immunization Information System.

Just tested positive for COVID and have mild to moderate symptoms? Call your physician for more information or you can self-refer at Gothams Healthcare at 508-213-1380 or Health Dept. physician.

American Heart Association CPR & First Aid Training & Choke-Safe Certifications For Restaurants

Please call the Health Department for information at 978-465-4410, ext. 3.

North Shore Mother Visiting Partnership

The City of Newburyport is very pleased to welcome the newest member of your family to the Newburyport community! Newburyport residents are invited to receive a free one time visit from the Public Health Nurse. The nurse will visit a mother or caregiver, ideally within 12 weeks (but up to one year) of giving birth or adopting a baby, regardless of the mother's age, insurance, income or number of children. The visit will last approximately 1 ½ hours and will take place in the mother's home or at a mutually agreed upon location. Please be assured that COVID precautions will be taken to protect the health of you and your little one. The visit includes a weight check for baby, breastfeeding and newborn care support, local resource guide, and an infant CPR/choke saving demonstration. Caregivers will also receive a giftbox filled with items for mom and baby. All services provided by the Public Health Nurse are free and confidential. To sign up for a home visit, contact the Health Department at 978-465-4410.

KI POTASSIUM IODIDE

Seabrook Nuclear Power Plant & KI (Potassium Iodide)

The City of Newburyport is located in the Emergency Planning Zone (EPZ) for the Seabrook Nuclear Power Station. This means that residents must take extra steps to be prepared should an accident occur.

Three important steps to prepare for an emergency at the power plant is to:

1. Sign up for Code Red notifications for radiological emergency at Seabrook Power Station on the health department website.
2. Plan your evacuation route and have an emergency plan for you, your family, and your pets.
3. Pick up your KI tablets free of charge during normal business hours at the Health Department.

Trash & Recycling

Trash collection is weekly.
Recycling is collected every other week on your regular trash collection day. See A or B week on street listing page.

Holiday Schedule

Holidays are denoted with an H.

Whenever a scheduled collection day falls on a holiday below, that day's collection and all remaining collections for the week will be delayed one day. Friday's collection will be on Saturday.

The only exception is the Downtown area which will remain on Fridays during holiday weeks.

There are only SIX observed holidays in the 2023-2024 collection year: Independence Day (July 4th), Labor Day, Thanksgiving, Christmas, New Year's Day and Memorial Day.

Nourishing the North Shore works to ensure equal access to healthy, local food to all members of the North Shore communities, by connecting local families to sustainably-grown local food. We believe that there is an inextricable connection between the health of the land and the health of the people, and that we must act on a local level to rebuild and strengthen these connections. Learn more and join our efforts at nourishingthenorthshore.org.
